- Promoted to Project Leader - Design after 3.5 years
- Working with web 2.0 design, semantic coding (content/style/behaviour), UI/UX design and mobile web
- And also dealing corporate branding solutions, stall designs and marketing collaterals
- HTML 5, CSS3, mobile web app and wp templates are in the learning curve

## Academic Chronicle

**B.Sc, Chemistry** | Arul Anandar College | 1999 - 2002

The Chemistry was not great between me and chemicals. But somehow managed to get a degree with a 59% marks.

**M.Sc, Communication** | Kamaraj University | 2002 - 2004

Found my future here with creativity, photography, journalism and mass media. And i got my first job as a creative designer. Passed out with a 70% marks.

**M.Phil, Mass Communication** | Kamaraj University | 2006 - ?

Started well with research and media analysis but kept pending due to real life responsibilities. And still I am searching for a guide to complete my thesis and the course.

Web, UI & Graphic Designer
